

URBAN FARM APPRENTICESHIP

For more information visit www.bradyfarm.org

650 hour program

20-40 hr/wk

Cohort 1: April - August

Cohort 2: June - November

\$15/hr

Join a comprehensive program covering everything from soil health, harvesting, packing and sales, greenhouse and mushroom production, weeds and pests, and more!

This hands-on program will prepare trainees with practical skills that can be used for home gardens, landscaping businesses, on farms, in food service, and as leaders in the community.

Grow Veggies - Build Skills - Nourish the Community
